

6-9 YEAR OLD SPEECH

Writing

- 6-9 year olds can work on their legibility and handwriting
- Have your kiddo start to journal about their day and daily activities
- They can create and write a fictional short story, then relay it to you

Reading

- 6-9 year olds can read more advanced books
- They can read fiction and nonfiction age appropriate books
- Should be able to summarize what they've read

Board Games

- 6-9 year olds should work on reading comprehension, oral communication through, reading aloud, and creative expression
- Games such as junior Scrabble and Bananagrams
- Charades to encourage reading instructions and express ideas non-verbally

Visual Words Games

- 6-9 year olds should work on reading comprehension and word recognition
- Crosswords Puzzles/Word Search
- Hangman/Fill in the missing letter

Extras

- Kids at this age are becoming more advanced readers and their comprehension is expanding.
- Use an activity like Karaoke to make learning fun!
- Letting them elaborate on a topic they enjoy creates them more comfortable with speaking
