

# 13-18 YEAR OLD SCHOOL SKILLS

## Homework

13-18 year olds can manage their homework:

- Strategize together how to manage time
- Practice writing a daily schedule and list of assignments
- Assist your child until they can become confident

## Projects

13-18 year olds may have larger, ongoing projects to manage:

- Create a timeline together and make up a backup plan
- Practice presenting the project
- Compare the final project to the instructions to make sure it's complete

## Research

13-18 year olds are learning how to do research:

- Consider a class at the library on research
- Play a game about determining fact, fiction, and opinion
- Compare information sources

## Planning

13-18 year olds will start thinking about their future:

- Explore jobs through observation and mentorship
- Compare jobs and the steps required to achieve them
- Consider work opportunities (babysitting) and available school classes

## Extra Curriculars

13-18 year olds bodies may begin to find their interest:

- Emphasize the importance of hobbies and a well-rounded life
- Explore interests related to work and enjoyment
- Not everything has to be productive; fun matters too
