

CHORES: 9-12 YEARS

Preteens are ready for real responsibility! These chores encourage independence, problem-solving, and teamwork while building everyday life skills.

DOING LAUNDRY FROM START TO FINISH

Teach them to sort clothes, load the washer, add detergent, and move items to the dryer. It builds sequencing, responsibility, and independence in daily living skills.

CLEANING THEIR BEDROOM AND BATHROOM

Encourage them to tidy their space, wipe surfaces, and restock supplies. It promotes routine, organization, and pride in personal hygiene areas.

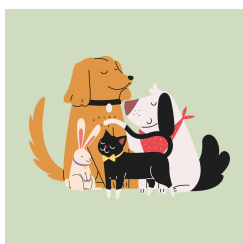

ORGANIZING HOMEWORK AND SCHOOL MATERIALS

Guide them to check schedules, complete assignments, and pack their backpack each night. It strengthens time management and executive functioning.

HELPING WITH YARDWORK OR OUTDOOR CHORES

Have them rake leaves, water plants, or collect outdoor toys. It promotes motor coordination, teamwork, and appreciation for outdoor spaces.

CARING FOR PETS WITH LESS SUPERVISION

They can feed, brush, or walk pets safely. This develops empathy, consistency, and caregiving responsibility.
