

6-9 YEAR OLD FINE MOTOR

Play-Doh

- 6-9 year olds can make more detailed art
- Help your child learn how to manipulate dough to make different shapes

Crafts

- 6-9 year olds can draw and paint with more accuracy
- Give child paint, crayons, and scissors
 - Let child be creative and explore different colors

Blocks

- 6-9 year olds can manipulate small objects with ease
- Give child LEGOs or blocks to build with
 - Let child construct different, creative designs

Stringing

- 6-9 year olds can tie their own shoes
- Thread beads onto strings and make jewelry to work on hand dexterity
 - Let your child be independent and dress themselves

Extras

- 6-9 year olds should be allowed to have fun
- Play board and card games (Connect 4, Operation, Go-fish)
 - Let your child be messy (edible paint and playdough are fun to shape)
